

Indian Value Engineering Society

Be Productive, Be Competitive

39th Annual International Value Engineering Conference ***Sustainability through Value Engineering***

Handa Golden Key Award – Information and Questionnaire

This award along with a certificate will be presented to the organisation which demonstrates that it has realised the importance of value engineering as a systematic activity and in the opinion of INVEST, has excelled in successfully deploying this technique to improve the total value of its operations and has also encouraged the dissemination of VE at all levels within the organisation during the past year. An organisation winning this award is eligible for the same award only after a gap of two years.

Information and documents should be submitted as per details given in next section. The entry can be submitted by the Team Leader, certified by a Senior Manager of the organisation (preferably by the Director or General Manager).

Contact for submission of award entries:

Anita Lukose

Secretary INVEST-SZC

Mobile: 9980930053

E-mail: conf.awards@invest-in.org

Notes:

All award entries must be submitted online in respective categories, within cut-off dates. Only one Award shall be awarded to a single entry

Questionnaire for Nomination of Papers for Awards: Handa Golden Key Award

Competition for this award is open to any organization (public or private) located in India, including Government sectors. A group of different business units of an organization cannot enter collectively, but only as a unit by itself. Trophy will be presented to an organization which demonstrates that it has realized the importance of Value Methodology / Value Engineering as an organized corporate activity and in the opinion of INVEST, has excelled in fruitfully deploying this technique to improve the total value of its operations and has also encouraged the dissemination of VE methodology at all levels within and outside the organization, during the past year.

Contestants shall provide information to all questions given below and send as soft copy in pdf format. Previous recipients of “Handa trophy” are also eligible to apply only if they were awarded 3 years or more years ago. Last date for submission is 5th Oct' 2023. Use of Value Methodology / Value Engineering must reflect in improvement in operations and services in all levels of the organization. Award entries shall be evaluated by an expert team of CVS. Winners shall be informed only to the designated contact person from the organization. The announcement of winners shall be made during the conference and senior leadership of the organization is expected to receive it.
